MATH 0303 or 0103	63 – 80
None	81+
MATH 1314	81 - 100

Students are placed in developmental courses based on highest test scores. Students must then complete the specified developmental course sequence or present passing test scores. Students must enroll in at least one developmental course with a grade of A, B, C allows the student to move to the next course.

Students who present passing test scores in any skills area during the semester may exit the corresponding course with the grade “P” or may continue the course to completion.
