

## **SCHOOL OF VOCATIONAL NURSING**

*Uvalde, Eagle Pass, and Del Rio*

### **Purpose**

The purpose of the SWTJC School of Vocational Nursing Program is to prepare graduate vocational nurses as beginning practitioners who are competent and self-directed to function under the supervision of the registered nurse or physician. The primary role of the entry-level graduate of a vocational nursing program is to provide nursing care in structured health care setting for individual clients who are experiencing common, well-defined health problems with predictable outcomes. The new graduate can readily integrate technical skills and use of computers and equipment into practice. The vocational nursing role represents the beginning level of the nursing practice continuum as Providers of Care, Coordinators of Care and Members of the Profession.

Students who successfully complete the program will register to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN) and apply to the Texas Board of Nursing for Licensure.

The School of Vocational Nursing consistently strives to promote the highest standards in vocational nurse education and nursing practice. The school operates under the direction of Southwest Texas Junior College, the Texas Board of Nursing, and the Texas Higher Education Coordinating Board.

### **Program Goals**

The goals of Southwest Texas Junior College School of Vocational Nursing are to:

- a. Provide and maintain a quality curriculum that incorporates educational requirements and competencies as prescribed by the Texas Board of Nursing (BON).
- b. Provide instruction that includes current standards of nursing practice, procedures, and advanced in technology (computers, simulation, etc.)
- c. Provide a quality learning environment that promotes critical thinking, enhances problem solving abilities, and ensures technical competence.
- d. Ensure that students are prepared to successfully pass the National Council Licensure Examination for Practical Nurses (NCLEX-PN).
- e. Ensure that the graduate will function as a vital member of the health care team in meeting the needs of a socially diverse community.

### **Program Objectives/Outcomes**

Upon completion of the Vocational Nursing Program, the graduate will be able to:

1. Safely plan and implement therapeutic nursing interventions within the scope and role of the vocational nurse as an entry level practitioner in a variety of healthcare settings.
2. Demonstrate critical thinking skills in the delivery of safe and effective care.
3. Utilize the nursing process as a conceptual model in the care of clients, families, and communities with commonly occurring health needs throughout the life span.
4. Demonstrate therapeutic communication skills while interacting with clients, families, communities, and members of the interdisciplinary healthcare team.
5. Demonstrate caring behaviors and respect for humans in meeting the needs of clients.
6. Implement a teaching plan for clients with common health problems and well defined learning needs.
7. Demonstrate professional and ethical behaviors in the practice of vocational nursing as stated in the Vocational Nursing Practice Act.
8. Demonstrate accountability for own nursing practice.
9. Participate as an advocate in the activities that focus on improving the health care of clients.
10. Demonstrate behaviors that promote the development and practice of vocational nursing.

### **Accreditation**

SWTJC School of Vocational Nursing is accredited by the Texas Board of Nursing and the Texas Higher Education Coordinating Board.
